If you were in Mrs. Koning's Advanced Culinary class last semester and have not yet signed up on SERS to receive college credit, please come to her room sometime today to get signed up. She must have this information asap in order for you to receive those credits.

Hey Cardinals! Are you interested in video production? Are you interested in creating and editing videos for FPHS, youtube or for video competitions? If so, stop by room 803 tomorrow morning at 8 am and be a part of video club! If you are unable to make the meeting but are still interested in being a part of video club, then be sure to speak with Mr. McNeil.

Are you a writer or an artist or both? Express your creativity, earn up to \$100, and get published! Enter the Pierce County Library System's Teen Writing & Art Contest — Our Own Expressions. Contest participation is FREE, and students may submit work in one or more of the following four categories: poetry, short story, photography or drawing. Submissions are due by February 28th. Learn more at expressions.pcls.us or stop by the library — Mrs. Goodrum is here to help.

Attention students! Many of you have overdue library books. Please renew your books or return them to the library as soon as possible. Remember, books can be checked out for two weeks and renewed for an additional two weeks. Any unreturned items will be charged to your student account.

There will be a boys soccer interest meeting in the 1700 science lab next Monday, February 5th, right after school. If you plan to play, you must be present. See you there!

The FP Girls bowling team fought hard last Saturday, and qualified to go on to the state tournament. All bowlers showed some serious grit and determination. It truly has been a solid team effort. The State tournament begins this Friday at Narrows Bowl in University Place.
