Today and tomorrow are Cardinal Connections.

Pierce College will be hosting its first annual ASPIRE Summit for Asian American and Pacific Islander students on Saturday, February 3rd, from 8 am to 3 pm. There will be speakers, workshops and a college resource fair to support your post-secondary plans. Plus, our own FP Pacific Islander Club will be performing at the Summit. Registration is now closed but Mrs. Goodrum reserved some seats so if you'd like to attend, stop by the library to get a field trip permission form and ride the bus with PIC.

And hey Cards, don't forget . . . The Saturday Writers Studio at Tacoma Public Library begins a new set of workshops this Saturday, February 3rd. Class topics for this round include short historical fiction, spoken word, and eco-poetics. Classes are free and open to writers of all skill levels. No registration required. Questions? Stop by the library and see Mrs. Goodrum.

Are you a writer or an artist or both? Express your creativity; earn up to \$100; and get published! Enter the Pierce County Library System's Teen Writing & Art Contest — Our Own Expressions. Contest participation is FREE, and students may submit work in one or more of the following four categories: poetry, short story, photography or drawing. Submissions are due by February 28th. Learn more at expressions.pcls.us or stop by the library — Mrs. Goodrum is here to help.
