Today and Monday we have Cardinal Connections.

An important reminder for all FP students: FPHS is a closed campus. This means students may not leave school grounds without permission from the office. This includes trips to the student parking lot at lunchtime. If you need to get something from your vehicle during lunch, you must check in with the main office first and be escorted by staff. All students who leave campus without permission will be searched upon their return.

Are you a Latino/Latina student interested in learning more about your culture? Do you want to give back to your community? Well then, you're the perfect fit for LEAP Club, which will meet Monday, September 11th, at 3 pm in room 404! Come eat delicious food while we discuss current events facing the Latino community and how we can be advocates to improve the lives of others. All Latinos and allies of the Latino community are welcome to join!

Attention all potential Daffodil Princess Candidates! We are having our first official meeting next Monday, September 11th, right after school in Mrs. Shoopman's room, 1101. If you will not be able to attend, please meet with her before the meeting so she can give you all the paperwork. We are starting the process towards the crown!

Hey Cardinals! The yearbook is on sale now for \$50! The price will increase later in the year, so buy it at the bookkeeper's window now and save some money!

And for seniors . . . yearbook Grad Ads are due Monday, October 9th, along with your senior accomplishments, so if you haven't received a flyer from your Cardinal Connections advisors, ask them about it or come see Mr. Disney in room 803.

Hey Cards! This year's Homecoming is just around the corner! Our theme is Shanghai Moon, and our dance will take place at the Temple Theater. Get your pre-sale tickets from the

bookkeeper beginning next Monday, September 11th, for just \$20. Prices will go up, so get your ticket now!

From the CCC . . .

Heads up Seniors! Your counselors will be meeting with you one-on-one over the next week to review your credits and talk with you about graduation and post-secondary plans. Appointment passes will be delivered to you in class by CCC TAs over the course of the next week.
