**Washington State History is a required course for graduation. If taken in the 7th/8th grade and passed, this meets the state requirement.*

The Franklin Pierce High School diploma will be awarded only to students who have completed the required number of credits and the required courses. In keeping with Board Policy 2410, students must have completed all requirements for graduation prior to receiving a diploma and participating in the graduation ceremonies. At the time of admission to Franklin Pierce High School, and on many other occasions thereafter, students and parents are informed of Washington State and Franklin Pierce Schools' requirements for graduation. ***It is the responsibility of the student to see progress toward graduation is maintained and the requirements are met.***

All public high school students are required to meet statewide graduation requirements in order to earn a diploma. The goal is that more students will be better prepared to meet 21st century demands in their working and personal lives.

Washington State requires all students to complete the following in order to receive a diploma:

- Earn high school credit (minimum number of credits set by each district)
- Complete a High School & Beyond Plan
- Pass state tests or approved alternatives to those tests

These requirements may be changed by the state. Any and all changes will be communicated to you. For more information, visit:

www.k12.wa.us/GraduationRequirements

All curriculums are in alignment with the Common Core State Standards in preparation for the Smarter Balanced state assessment. Franklin Pierce Schools graduation requirements have been adopted to match or exceed state requirements.

Franklin Pierce High School provides many supports to students to accomplish these graduation requirements. Additional math, reading and writing supports have been implemented, and students are monitored to see who needs the support of these classes. Counselors meet with students to help them complete all credit requirements as well as develop a post-secondary plan. FPHS also has a comprehensive advisory program (Cardinal Connections) where students have an advisor who works with them all four years to keep them connected and to provide assistance.

Academic Supports

Our commitment at Franklin Pierce High School is to prepare every student for success after graduation. Whether a student is heading toward a four-year college, two-year college, trade school, technical school, military service, or directly into the work force, a high school diploma is the first critical step toward a successful career. In order to meet this commitment, we will provide the following academic supports:

All students will receive the highest quality instruction in each class every day. Classroom instruction is based on Common Core State Standards and Common Assessments aligned among teachers within the same course. All students will receive an Advisory Class (Cardinal Connections) on Mondays and Fridays, and Learning Lab (study time, intervention time, extended learning time) on Tuesdays and Thursdays.

Academic Probation: Any student who is failing or has an incomplete in multiple classes and/or is off-track for graduation may be placed on Academic Probation. While on Academic Probation, students will receive additional supports that may include the following:

- Check and Connect meetings with administration and/or counselors.
- Academic Interventions (additional Learning Lab) during lunches and during assemblies.
- Academic Interventions during the school day with our Intervention Case Manager.

General Information

Cardinal Connections is the program we have designed to support your success throughout high school and the development of your high school and beyond plan over the four years of your high school careers. Each teacher is assigned a grade level team. These Cardinal Connections teams meet every week, primarily to work on tasks related to the development of the students' portfolios. The portfolio is used in the Student Led conferences and Senior Presentations. Student-led conferences are held every year. Senior Presentations are held during the spring of your senior year, when you will present your portfolio to a community panel.

Portfolio: Your portfolio will be your record of the next four years. By the time you graduate, it will include the following: samples of your work (your best work and works that shows how you have improved); grades, test results, four-year plan, transcript and credit checks; your self-assessments about how you're doing and how you can improve academically; career goals and post-secondary plan; High School & Beyond Plan (a Washington State graduation requirement); a financial plan for your future; a record of your jobs, internships and volunteer service; and honors or awards you've received. The completion and presentation of the portfolio is an FPHS graduation requirement. One-quarter (.25) credit will be granted for each school year a student completes all necessary grade-level portfolio requirements.

Semester: Franklin Pierce High School operates on a semester schedule. Students take a given schedule of classes for a period of 18 weeks. If a student successfully completes the class requirements, one-half credit (0.5) is earned. There are two semesters in a year.

Credits: The State Board of Education has established the definition of a credit as a full year of instruction in a course. A one-semester course receives one-half (0.5) credit upon completion. The total number of credits required for graduation depends on a student's graduating class requirements.

Class Schedule: Students are expected to register for six (6) classes each semester and to take full advantage of the educational opportunities available at Franklin Pierce High School. Freshmen, sophomores and juniors must take a full schedule of six (6) classes. All students are assigned to a Cardinal Connections class/advisor.

Choosing Classes: Students and their parents are to use the Course Description and Planning Guide as a means of exploring the curriculum to select classes that will be the most useful to the individual student. During the spring, students are asked to indicate all the classes they expect to take the next school year. This information is needed to generate a master schedule of classes for the following school year. Please take this process seriously. Your choices determine what classes you will be taking. Be sure to check the prerequisites for each class to insure you will be allowed to register for the course. Selecting a class indicates a commitment to that course. You will be expected to remain in any course you select. If you do not understand a

course description, ask your counselor or teacher for further explanation. Be sure you sign up for classes required for graduation.

Changing classes: Student withdrawals from a class may only occur during the first six (6) school days of the semester. A student must remain in the registered class until an official change has been made through counselors and the administration. Failure to attend classes for which a student is officially registered will result in an “F” grade on the transcript.

Withdrawal from Class: A student who drops a class after the tenth (10) instructional day will receive a grade of F in that class.

Grading System: Franklin Pierce Schools has established the following grades and corresponding points to be used by all high schools in the district:

A = 4.0	B+ = 3.3	C+ = 2.3	F = 0.0
A- = 3.7	B = 3.0	C = 2.0	INC (N) = 0.0
	B- = 2.7	C- = 1.7	P = Pass (a credit but not figured into GPA)

Franklin Pierce Schools utilizes Standards Based Grading, wherein students’ proficiency is assessed in course specific standards. Students may receive the following: 1 = Below Basic, 2 = Basic, 3 = Proficient, 4 = Advanced. Grades are based, in large part, on summative assessments.

Incomplete Grades: Students are allowed a MAXIMUM of 20 days (4 weeks) into the next grading period to make up any class in which they received an incomplete (N). Incompletes that have not been made up within twenty (20) days will AUTOMATICALLY BECOME “F” GRADES.

Athletic Eligibility: A student must have passed five (5) academic courses (out of a 6-period day) from the previous term and be passing in five (5) academic courses during the sports season to be eligible to participate in athletics. In addition, the student must maintain a 2.0 grade average during the preceding term and during participation.

Grade reports & Online Grades: Students’ grades will be uploaded on a weekly basis to Online Grades. Students (and parents) may access online grades at any time to check on their progress. You will be able to see your teachers’ gradebooks to check on missing assignments, check on your attendance and contact your teachers via email. Students and parents may obtain Online Grades login information from the students’ advisors, or from the CCC or Main Office.

Progress reports are printed and distributed to students at mid-quarter, and grade reports will be mailed home at both the quarter and semester. This year’s major grading dates are as follows:

1st Semester	Grading Periods	2nd Semester
November 2, 2017	<i>End of Quarter</i>	April 6, 2018
January 26, 2018	<i>End of Semester</i>	June 19, 2018

Attendance

Regular and punctual attendance at school is vital for students to achieve maximum benefit from our school programs and to be college and career ready. Student masteries of course content and achievement of academic objectives through participation in class activities and student/teacher interaction are of extreme importance.

In recognition of the responsibility of parents/guardians and the legal obligation established by the Compulsory School Attendance Law, RCW 28A.225, for ensuring the school attendance of children under their care, Franklin Pierce High School; has established regulations and procedures for controlling absenteeism, truancy and tardiness of students. These procedures include informing and involving parents in the resolution of such problems.

Attendance State Law — “Becca Bill”

State law requires all children, until the age of 18, to attend a public school, an approved private school, or participate in a home-based instruction program. The only exceptions to this law are as follows:

1. The child has already met high school graduation requirements in accordance with the state board of education rules and regulations.
2. The child has received a certificate of educational competence under rules and regulations established by the state board of education under state law (RCW 28A.305.190).
3. The child is emancipated in accordance with RCW 13.64.

FPHS ATTENDANCE POLICY

The following types of absences are excused absences:

- Prearranged absences: this includes any school-related absences such as field trips, activities or athletics. Students must use the approved Planned Absence Form.
- Bereavement or family emergencies.

- Any medical care that is clearly documented by a doctor, dentist, or medical professional.
- Administrative action absences (suspensions, expulsions).
- Legally required appearances.
- Illness.
- Religious purposes.

The following steps will be taken if a student accumulates the following number of unexcused absences/truancies in one or more classes:

- Any full-day absence: The autodialer will call parents who have opted in to this service.
- Three (3) unexcused absences in a month: A letter will be sent home to the parent/guardian. A conference with student, attendance administrator, and parent will be held, and an attendance agreement will be signed.
- Five (5) unexcused absences in one month or ten (10) unexcused absences in a year: Student will participate in an Attendance Seminar with the Dean of Students. If an attendance agreement is in place, a Stay Petition will be filed with the Pierce County Juvenile Court. The student may be referred to the Community Truancy Board once the Stay Petition is filed.
- Seven (7) unexcused absences in one month or a total of ten (10) unexcused absences in a year: A Becca Petition will be filed with the Pierce County court for students under the age of 18.

FPHS ATTENDANCE PROCEDURES

1. For every student absence, the parent/guardian must phone or send a written note of clearance within twenty-four (24) hours (the next school day) to the Attendance Office.
2. Notes must contain the first and last name of the students, date(s) absent, reason for absence, signature of the parent/guardian and a telephone number where the parent/guardian can be contacted.
3. If a parent call is made the day of the absence, the student does not have to check in to the attendance office or bring a note the next day.
4. Franklin Pierce High School will classify all absences as either an Excused Absence or Unexcused/Truant. Make-up work will be provided at the request of the student or parent/guardian for excused absences.
5. Students who arrive at school late must check in at the Attendance Office before going to class. Students arriving more than ten (10) minutes late for any period will be considered truant for that period.

TYPES OF ABSENCES

Excused Absence

An excused absence is a student absence from school that has been acknowledged by a parent phone call or a parent note. When seven (7) or more absences have occurred, third party documentation will be required to excuse any further absences. Qualified third-party documentation may include a note from a doctor, dentist, therapist, etc., or an evaluation by our school nurse. Students who are absent for three or more days may request that homework be collected from the student's teachers. Requests for homework should be made through the attendance office. Please call Stephanie Disney, attendance coordinator, at 298-3813.

Truancy

Students are expected to be in school each day. Students are considered truant when

- (a) absent from school or class without the knowledge and consent of the parent(s) or guardian(s).
- (b) absent from the school or class once arriving on the campus without the knowledge and consent of the school.

Tardy

A student is tardy to class when he or she arrives at class after the scheduled start time. If a student is more than ten (10) minutes late, it is considered a truancy. Students who arrive at school after school begins must check in at the Attendance Office before going to class.

All tardies will be monitored by the attendance office and consequences for tardies will be immediate. Progressive discipline will apply. Tardies are cumulative. Students may have four (4) tardies in a quarter without consequence; however, discipline will occur with the fifth tardy. Tardies will not be excused without third party documentation (staff member, doctor or dentist), including first period.

Discipline is as follows:

- Tardy 5-7: Lunch Detention
- Tardy 8-9: Friday School
- Tardy 10+: Will receive progressive discipline, which may include parent conference, community service, in-school suspension (ISS) or short term suspension.

In an effort to support students and families, FPHS is concerned not only about unexcused absences, but total absences as well, even if they are excused. We may take additional steps to educate and support students to improve their attendance.

Planned absence with parent approval

In some cases, certain experiences may provide the student with valuable educational exposure. In all such cases, prior arrangements must be made for an absence. The student may pick up a Planned Absence form from the Attendance Office. The form must include the student's first and last name and the dates the student will be absent from school. The student must also get signatures from all his/her teachers as well as a parent/guardian. Once the form is completed, it is to be turned in to the attendance office **prior to the date(s) of the planned absence**. Students are limited to five (5) pre-arranged days per semester. These can be used as single days or as a combined total of five days to extend a vacation.

Early Dismissal

Any time a student is at school and leaves before the end of his or her regularly scheduled school day, it is an early dismissal. *Students must check out of school through the attendance office **prior to leaving**, or they will be considered truant.* The attendance office will verify that they have proper parent/guardian permission.

Students with an approved early dismissal must leave campus at the dismissal time. If they remain on campus, they will be considered truant if they are not in their scheduled classes.

Procedures for Early Dismissal:

STUDENT'S RIGHTS AND RESPONSIBILITIES

Primary responsibilities of Franklin Pierce Schools are to provide a safe and orderly learning environment and to provide learning experiences so that students have the opportunity to develop skills, competencies and attitudes necessary to be responsible, contributing citizens. To do so, students need to develop an understanding and appreciation of the rights and responsibilities of individual and need to be prepared to participate intelligently and effectively in our open political system to ensure that system's survival.

The school is a community and the rules and regulations of a school are the laws of the community. All those enjoying the rights of citizenship in the school community must also accept the responsibilities of citizenship. A basic responsibility of citizenship is to respect the laws of the community and comply with its rules and regulations.

The full text of the Franklin Pierce Schools' publication of Student Rights and Responsibilities, including due process, is provided yearly to each student as a separate document. Copies are also available in the main office and on our website. Students are encouraged to become thoroughly acquainted with these provisions and to seek their advisors' assistance for any needed clarification.

FPHS BEHAVIOR MANAGEMENT PROCEDURES

It is imperative that a safe and orderly environment exists to produce learning at Franklin Pierce High School. A general set of rules exists by which students are expected to abide. In all discipline cases, a student and his/her parents are entitled to their due process rights as outline in school board policy and state law.

Classroom Behavior Management: Each teacher will have a progressive behavior management policy used in his or her classroom. The rules and consequences will be

discussed during class (*see Behavior Management Interventions Chart*). Students who have exhausted the steps in the classroom behavior plan will be referred to the main office.

School-Wide Discipline: When students are referred to the main office, discipline will be administered as described in the Discipline Chart.

A student's first violation of the schools' dance expectations will be grounds for removal from the dance.

Students are also expected to dress appropriately. The dress code applies to school dances, and students may be required to fix dress code violations prior to being allowed into the dance.

All dances begin at 7 pm, and there will be no admittance after 8:15 pm. Dances end at 10 pm.

SPEECH AND ASSEMBLY: Students are encouraged to verbally express their personal opinions in such a manner and at such times as does not disrupt or interfere with the educational process or with the freedom of others to express themselves. The use of obscenities, lewdness, vulgarity, profanity or personal attacks is prohibited. All student meetings on school property may function only as scheduled and regulated by school authorities.

STUDENT SEARCHES: All students possess the right to be secure in their persons, papers and effects against unreasonable searches and seizures. However, to maintain order and ensure that school policies and procedures are followed, school officials are authorized to conduct searches when reasonable cause exists.

Reasonable Cause: Reasonable Cause exists when school employees have information, evidence or reason to believe that a student has or is violating a school rule, or that the student possesses contraband or other material that is or has the potential of being harmful to the school environment or school property.

Motor Vehicles: Motor vehicles driven by students and parked on or immediately adjacent to school property during regular school hours or during school events are subject to being searched when school officials have reasonable cause to do so.

General Searches: School officials may make general searches of lockers or desks for purposes including but not limited to safety, cleanliness, retrieval of school material or violation of school rules. Such general searches shall not include personal items stored in lockers or desks such as clothing, bags or purses unless reasonable cause exists. General searches of lockers or desks may also be conducted in situations such as a bomb threat, drugs or loss of school materials.

Physical Searches of Students: A limited physical search of a student or the student's personal effects may be conducted when there is reasonable cause to do so. In such instances, a minimum of two school officials must be present of whom at least one must be the same sex as the students.

School officials are forbidden to conduct any type of "strip search" in which a student's private body parts would be exposed or in which removal or rearrangement of clothing would expose the student's undergarments.

Failure to permit searches and seizures as provided in this policy will be grounds for short term suspension, and law enforcement agencies may be contacted when appropriate.

Further information regarding searches and seizures is available in School District Policy No. 3230 and Procedure 3230P: Student Privacy and Searches.

VISITORS: All visitors to school buildings and grounds are to be authorized through the principal's office only. Non-students who do not have a valid reason to be on campus will be requested to leave. If they refuse, enforcement of the request will be asked of police authorities. Parents are encouraged to visit the schools; however, they should check with the school's principal before visiting classes (Policy 4200, 4200P). ***In an effort to maintain a safe campus, the policy of allowing student visitors has been discontinued.***

In the event that an issue is not addressed in this handbook, the FPS Policies and Regulations manual will be followed.
